QUALITY ASSURANCE TECHNICIAN

Our engineering department currently has an immediate opening for a Quality Assurance Technician. The Quality Assurance Technician **will work under the ISO: 9001:2015 Quality Programme** and will be responsible for the following:

- ✓ Understanding customer needs and requirements to develop effective quality control processes
- ✓ Devising and reviewing specifications for products or processes
- ✓ Setting requirements for raw material or intermediate products for suppliers and monitoring their compliance
- ✓ Overseeing all product development procedures to identify deviations from quality standards
- ✓ Inspecting final output reports and comparing properties to requirements
- ✓ Keeping accurate documentation and performing statistical analysis
- ✓ Be on the lookout for opportunities for improvement and develop new efficient procedures
- ✓ Control of non-conformance register and implement corrective actions after consulting with colleagues
- ✓ Control of Key Performance Indications (KPI) for the supply chain
- ✓ Monitoring of the gauges register and ensuring calibration of equipment

The successful candidate will report directly to the Design Engineer and collaborate with design/purchasing teams, as well as liaising with suppliers and clients.

This position will suit an individual with previous experience of the current ISO: 9001:2015 accreditation programme with the ability to maintain it to the UKAS level. The successful applicant will follow with NovaCast's company policies regarding international trade which may not be required under the current ISO: 9001:2015 umbrella.

This is an excellent opportunity to work in a friendly environment with a team that is dedicated and passionate about craftsmanship, knowledge of castings would be an advantage.

The position is full time 39 hours per week Monday to Friday.

Salary will be dependent on experience.

Applications to be submitted by Friday 27th March 2020.

To apply for this position, please email your CV to rphillips@novacast.co.uk or post to:
